

## **SmartConnect by KAPSYS**

100% Smartphone, 100% easy

# SMARTCONNECT

## The first Android Smartphone designed for senior Citizens with Touchscreen, Keypad and voice control

SmartConnect by KAPSYS finally gives everyone easy and quick access to the world of the smartphone.

SmartConnect by KAPSYS is a latest generation smartphone designed to be easy to learn and to use, avoiding any need to go through a painful learning process with its simple and readable menus, large icons and voice guidance using speech recognition and text-to-speech.

SmartConnect by KAPSYS combines the full power of an Android smartphone with a set of innovative applications that are particularly useful to the senior users.
